About Atan Land Investments

1. What is Atan Land Investments?

Atan Land Investments is an agricultural initiative focused on sustainable farming, food production, community development, and creating opportunities within the agricultural sector. Our goal is to produce quality farm products while promoting responsible and environmentally friendly farming practices.

2. Where is Atan Land Investments located?

The estate is located at Atan, in the Eredo area of Epe, Lagos State. For directions or more information about visiting us, please contact our team using the details in Question 20 below.

3. What does Atan Land Investments produce?

Our estate is being developed for sugarcane, bamboo, and aquaculture (fish), among other products as the phased development comes online. Product availability may vary depending on the season and the stage each venture has reached.

4. Are your products locally grown or produced?

Yes. Our products are grown or produced locally at the Atan estate using carefully managed farming practices.

5. Do you use sustainable farming methods?

We are committed to responsible farming methods that protect the soil, conserve water, reduce waste, and support long-term agricultural productivity. Specific practices for each venture will be published as they are finalized.

Products and Orders

6. How can I purchase Atan Land Investments products?

You can place an order by contacting us by phone, WhatsApp, email, or through our website at www.atanlandinvestments.com. We will confirm product availability, pricing, and delivery or collection arrangements.

7. Do you sell to individuals, restaurants, and businesses?

Yes. We welcome orders from households, retailers, restaurants, institutions, and other businesses. Bulk and regular supply arrangements may also be available.

8. Are your products available all year round?

Availability depends on the product and the farming season. Please contact us for current stock and expected harvest dates.

9. Do you offer bulk orders?

Yes. We may be able to accommodate bulk orders depending on availability and advance notice. Please contact us with your requirements so we can provide a quotation.

10. Do you deliver?

Delivery may be available depending on your location and order size. Delivery fees, minimum order quantities, and scheduling will be confirmed at the time of your order.

11. Can I collect my order from the farm?

Farm collection may be available by prior arrangement. Please contact us before visiting so that we can confirm your order and provide collection instructions.

12. How are prices determined?

Prices depend on the product, quantity, season, production costs, and delivery requirements. Please contact us for the latest prices.

Farm Visits and Participation

13. Can I visit Atan Land Investments?

Yes, visits may be possible by appointment. We encourage visitors to contact us in advance so we can arrange a suitable time and ensure safety on the farm.

14. Do you offer farm tours or educational visits?

We may offer farm tours, agricultural demonstrations, or educational visits for schools, organizations, and community groups. Please contact us to discuss your needs.

15. Can I volunteer or intern at Atan Land Investments?

Opportunities may be available depending on our current programs and capacity. Please send us information about your interests, experience, availability, and the type of support you are seeking.

16. Do you offer agricultural training?

Atan Land Investments may provide or participate in agricultural training, demonstrations, and knowledge-sharing activities. Contact us to learn about upcoming programs.

Partnerships and Support

17. How can I partner with Atan Land Investments?

We welcome partnerships with farmers, businesses, schools, community organizations, investors, development partners, and agricultural professionals. You can contact us with your proposal or area of interest.

18. Can I invest in or support the project?

Support opportunities may include investment, sponsorship, donations, equipment, technical assistance, or market partnerships. Please contact our team to discuss available opportunities.

19. How does Atan Land Investments benefit the community?

Our project aims to support local food production, create employment and training opportunities, encourage sustainable agriculture, and contribute to community economic development.
